UI Design

Let's do some mock-ups

heig-vd
Haute Ecole d'Ingénierie et de Gestion
du Canton de Vaud

Sketch what your mobile application is going to do.

What should be in the mock-ups?

heig-vd
Haute Ecole d'Ingénierie et de Gestion
du Canton de Vaud

- A rough sketch of each screen (placement of UI elements).

- Additional interactions on each screen (e.g. popups).

- The relationships between the screens (how to go from one screen to another).
